MATERIAL

Made of PE-HD (high-density polyethylene) and PP (polypropylene).

RAMP FOR TILE

2. USE

Alternative uses for residential areas or garden intended for garden furniture and/or recreational activities and/or walkways.

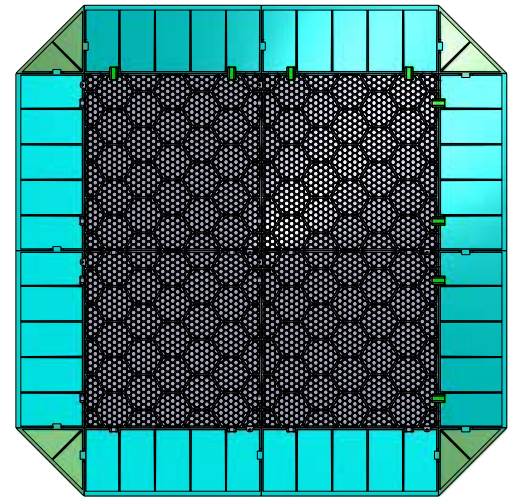

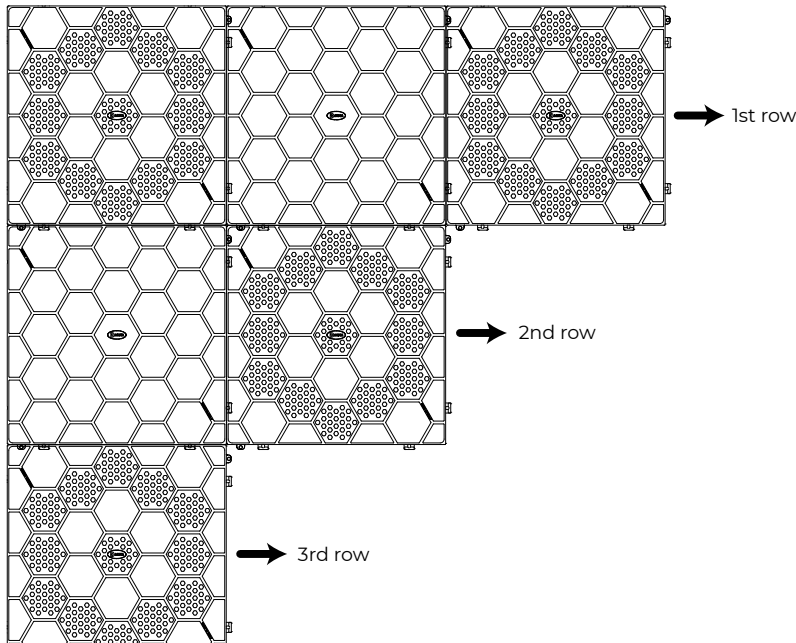

2. USE - INSTALLATION

On the ground:

The turf tiles must be placed in a row. You can place turfs of different finishing in the same row. We suggest you to lay an even base with no bumps or disconnections.

On the floor:

If you need to lay the turfs on a waterproof floor, it's enough to place the tiles on it. We suggest you to use the protective bars (our product code GAR01-0013).

3. TECHNICAL SPECIFICATION

Specification	Description	Unity	Price
